A non-refundable Booking Fee of \$200.00 (USD) is payable with this contract and the balance of \$\_\_\_\_\_, plus all unpaid expenses, will be payable upon receipt of an invoice, when the mare leaves the farm, or prior to first shipment if shipped semen is needed, whichever is first. The Breeder requires 48 hours advance notice when Mare Owner wishes to remove his mare from the farm.
2. A copy of both sides of mare's registration papers, a veterinarian's health certificate (including uterine culture on open mares), worming, and immunization records must be presented upon mare's arrival at farm. If these items are not presented upon mare's arrival, the Breeder shall have a veterinarian of Breeder's choice make proper tests and evaluations at the Mare Owner's expense. Flu and rhinopneumonitis vaccines must be given before mare arrives.

Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition, shall not be bred. Mare Owner may substitute another mare within the same breeding season.

If however, the mare does not settle, the Breeder shall held harmless. Live Colored Foal means the foal shall stand and nurse and have markings that will enable it to obtain registration papers from the Regular Registry of the American Paint Horse Association. It is understood that if the mare proves barren, aborts her foal, if the foal is stillborn, or if the foal is unable to obtain registration papers from the Regular Registry of the American Paint Horse Association, a return breeding will be guaranteed for the following year only, providing proper notification of a non-live foal is given. Proper notification means: Written certification by a licensed veterinarian within seven days that the mare has aborted or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner or his agent.
8. Waiver of Liability: It is understood that the farm, its owners, employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death or any horse on it premises. The Mare Owner will not be liable for any
